2020 Salary Survey

Data contained in this report lists the annual salaries and supplemental pay benefits budgeted for county officials in fiscal year 2020 as reported in a survey of Texas county treasurers and county auditors. Also provided are 2019 county populations and 2020 county budgets.

Section One is an alphabetical listing of salaries by county. Section Two provides comparative salary and pay supplement data for each county office, separated according to population groups. Section Three lists the pay ranges and supplements for the offices of commissioner, justice of the peace and constable.

While great effort and time constraints have been made to insure accuracy in this report, the volume of data precludes an error-free warranty. The reader should, therefore, use this document for broad-based comparisons only.

Thanks to all counties that participated in the survey.
